

Welcome to Relaxstudy.com

RELAXSTUDY.COM, A leader in online video educational solutions provider.

All work and no play makes jack a dull boy!! So what if your ward wants to take a day off from school by choice or is forced to do so due to some inevitable circumstance. In this world of every action being supplemented with a consequence the very next day of school for your ward would be a night mare with a lot of notes to be written, classes being missed and hence would end up as a complete ordeal. Its high time that this problem of the student community is addressed and that's what we are here for Relaxstudy.com, India's first and only CBSE based online (SOD) School On Demand. Founded in the year 2010 Relaxstudy.com is a premier online video School on Demand in India offering 24X7 high quality educational services in the form of online classes for the student community across the globe in a very cost effective manner and strictly based on the CBSE syllabus.

We here at Relaxstudy.com is an assemblage of highly expertised teachers from various streams of education who have come together with a sturdy determination of bringing up a revolution in the education industry by providing online classes for the various subjects in the CBSE syllabus as per the requirement of the student or the school faculty. The subjects covered via the online video classes comprises of physics, chemistry, mathematics and biology of the CBSE 10th,11th and 12th std.
